Achievements:

International Level/ Research:

1. Awarded a consolation prize for an oral research paper titled "Impact of Modification of Selected College Canteen Snacks: A comparative study in terms of nutrition, acceptability, and cost with the Nutri-veg-kathi-Roll" at the Research Competition during the 7th International Conference on 'Growing Trends in Food Technology and Nutrition for Public Health Care' (ICGIFP-2016), sponsored by ICMR and DST and organized by the International Conference on Food and Nutritional Security (IIFANS) in New Delhi.
2. Co-authored and presented oral research paper titled 'Sports and Fitness Culture - Quality Enhancement through a Holistic Approach' at the International E-Conference Sports Industry during COVID-19 organized by Sports and Management Research Institute (SMRI), Thiruvananthapuram in July 2021.

National Level/ Research:

1. Awarded a Certificate of Excellence as a Diabetes Educator for my outstanding contribution to improving the lives of people with diabetes at the two-day conference hosted by Diabetes Research and Solutions and NDEP at ITC Maratha, Andheri on 2nd September 2023.
2. Representing Dr. B.M.N College of Home Science, I led the oral research paper team project titled "Sports and Fitness Culture: Quality Enhancement through a Holistic Approach," winning the 3rd prize in the 15th Best Educational Quality Enhancement Team (BEQET) President Award 2020. This event was organized by the National Centre for Quality Management (NCQM), Mumbai.

3. Representing Dr. B.M.N College of Home Science, I won the 2nd prize for leading the research project titled "Enhancing Wellness Index of the Non-teaching Staff" in the 8th Best Educational Quality Enhancement Team (BEQET) President Award - 2013, organized by the National Centre for Quality Management (NCQM), Mumbai.

State Level /Research:

1. In August 2014, I presented a research paper at a state-level seminar on 'Sports Fitness & Training for High Performance' hosted by SMRK College, Nashik and SNDTWU. I shared insights on optimizing health and wellness of the subject population through tailored training and nutrition strategies. It was a great opportunity to exchange ideas and learn from other experts in the field.

Institutional/College Level/ Research:

1. In 2021, I was awarded a grant to lead a Minor Research project titled "Dietary Patterns in Non-Teaching Staff of Dr. BMN College: An Interdisciplinary Perspective," which had a duration of one year. This initiative was generously supported by the UGC STRIDE Centre for research capacity building under Dr. BMN College of Home Science Autonomous.
2. In 2018, as part of my MSc. dissertation, I authored a research paper titled "The Impact of Clinical and Biochemical Parameters on Nutritional Status of Patients with Colorectal Cancer." This study delved into the complex interplay between clinical indicators and nutritional status in individuals battling colorectal cancer, offering valuable insights into personalized dietary interventions for better patient outcomes.
3. In 1992, as a part of my Post Graduate dissertation, I conducted a pioneering study titled "The Study of Obesity in Adults." This research explored the multifaceted factors contributing to obesity in the adult population, shedding light on the prevalence, risk factors, and potential interventions to combat this pressing public health issue.

Publications:

1. An Article on "Food for Thought for Educators" Quarterly magazine EDUNIER CONNECT (Apr-Jun 2020)
2. An article on Easy to Make Healthy recipe called NUTRIVEG CREPES was published in the monthly magazine NUTRITION INSIGHTS August 2020 issue.
3. A Research paper on "Sports Fitness & Training for High Performance" was published in the research journal IDEAS Volume 9, 2016-2017

4. A research paper on “Enhancing Wellness Index of the Non-teaching Staff” was published research journal IDEAS Volume 7, 2014-2015
5. A research paper on "Enhancing Wellness Index of the Non-teaching Staff" was published in the souvenir of Sports and Fitness by SMRK- BK-AK Mahila Mahavidyalaya, Nashik, in 2015.
6. Health and Nutrition Manual (Revised and updated Edition) for Diploma Course in Home Science in 1998-1999.
7. Basic Cookery Manual – new (First Edition) for Certificate Course in Home Science in 1997-1998.
8. A new product manual on TEN-O-LIP (Total Enteral Nutrition over the Lip), a nutraceutical product, for Criticare Laboratories Private Limited - 1994 for circulation at the national level training conducted for the sales team.
